Candidate Information Sheet - 2020

Name: McCroskey, April Unit Number 3321 and 1304

Describe your interests and/or hobbies:

I enjoy running, working out and reading in my free time. However, most of my time is spent with my husband and two children.

Qualifications:

I had the pleasure of serving on the board this past year and I enjoyed getting to know some of the owners and other board members. Also, I am vice president of the board for the Autism Society of East Tennessee and I am 1st Vice Regent of the local chapter of Daughters of the American Revolution (DAR). Therefore, I am serving or have served on boards or in leadership roles of organizations in the past so I understand the duties and responsibilities involved.

If elected to the Board of Directors what issue would be the most pressing?

I would assist with communication between the owners and the board. I would listen to the issues raised from the owners and make sure that the board is aware of their concerns. Also, I would like to see more of the amenities and facility to be updated to keep with the growing community of St. Augustine.

What strength do you believe you would bring to the Board of Directors?

Being active duty in the military, only helps with my ability to multi-task and bring a different perspective to the board. We love St. Augustine and want the complex to continue to thrive in the community.
