Our team takes care of the essential arrangements to ensure your beach ceremony is beautifully prepared and ready for your special day. From coordinating guest and vendor access to arranging timely setup and breakdown of your selected ceremony arch and chairs, we ensure everything is in place for a seamless experience.

Ceremony packages include our wooden arch with classic white drapery and selected white chairs, as applicable. Floral arrangements, additional décor, officiants, and day-of wedding coordination are not included.

Vendors & Ceremony Guidelines

We welcome couples to personalize their celebration with vendors of their choice, including florists, photographers, officiants, and wedding planners.

Beach Ceremony Setup: To ensure a consistent, safe, and seamless experience, all beach ceremonies booked through St. Augustine Ocean & Racquet Resort must utilize our designated beach chair setup services. Outside chair rental and setup vendors are not permitted, and this requirement cannot be waived or bought out.

Vendor Requirements: Outside vendors must provide proof of liability insurance naming St. Augustine Ocean & Racquet Resort as an additional insured and listing the resort as the certificate holder.
